Student Volunteering Stories

“Being a part of Nightline is so rewarding. It feels really safe and the support around you is amazing especially on difficult calls. I think it’s so important that there’s a service people can contact in their lowest points, or if they just feel like a chat!”
“I have met so many wonderful people whilst volunteering for Nightline. Everyone is so supportive and kind which makes volunteering more fun!”
“It has been amazing volunteering for Nightline, to be able to help people when they are going through a difficult time in their life is such an incredible experience.”
“I think one thing I didn’t expect out of nightline was to get so many friends out of it.”
“There’s a really nice community feel on shift”
“Even after tough calls, you know you’ve been there for someone when someone else may not have been and it’s great to know you’ve helped in some way”
“Volunteering for nightline is one of the most rewarding things I’ve ever done. Knowing that I’ve helped people when they really needed it is an amazing feeling, and the ability to really, truly listen when people come to you with a problem is an invaluable skill that once learnt, you carry with you in every part of life.”
“The feeling you get when you know you’ve helped someone who’s at rock bottom is unforgettable”
“Being a Nightliner is all about the privilege of being trusted by a caller, that trust can make all the difference when someone’s at their lowest”
