Scrutiny Panel will hold officers to account

This will consist of 6 cross-campus elected students. They will hold all Full-Time Officers and the Environment and Social Justice Officer to account on their work.

The panel will be assisted by two Officers from another Union.

1. The panel will rate each officer’s performance. Low ratings can initiate a vote of no confidence by referendum.

2. It’s an open meeting; any student can turn up.

3. The 6 other part-time officers will be held to account via their committees.
